To: Sergeant Sankowski/RE: Investigation of the murder
of David Krulewicz

Dear Sergeant Sankowski,

Twenty years ago there was a Beaufort police officer by the name of Jim Palmer, who was also a friend of our family. Several years after David's murder, Betty, (my mother) approached Mr. Palmer and asked if there was any progress in the investigation. His response was " Betty, we all know who did it. You need to just let it go".

I felt this information might be helpful, as Mr. Palmer was a police officer at the time of the murder and during the investigation. I believe that he is still a resident of Beaufort also. I hope this helps, please contact me if there is any thing I can do to help with the investigation or questions I may be able to answer.

Thank you so much for the effort you and everyone else are making, I hope that after all these years that the truth does come out.

Sincerely,

A handwritten signature in cursive script that reads "Diane Larsen".
